

Please read, print off and sign this form to confirm that you have read and accepted our boarding terms and conditions.

For Paws will provide food, including fresh fruit/veg/hay, water, exercise and plenty of cuddles for your small animal. We are regularly inspected by Newcastle City Council and our standards of care are very high. However, **all animals are left at owner's risk**. Sadly small animals can pass away with very little warning. We accept no liability in the unlikely event that a small animal becomes ill or passes away. In an emergency we will inform you, or your emergency contact, and consult our vet (Blythmans). Costs for treatment will be charged in your name and address.

Small animals brought in for boarding **must in good health**. All pre-existing medical conditions must be disclosed prior to boarding.

For Paws reserves the right to refuse a pet if the pet is showing any signs of non-declared illness on arrival.

Rabbits must be fully vaccinated. Please present your vaccination card upon drop-off.

Please print off, fill in, and present this form upon drop-off.
